

Prospective Missionary,

Thank you for your desire to serve the Lord in full time service as a Missionary. In our opinion you are a choice servant in the Lord's work. We are excited about what God has called you to do and for the purpose to which He has prepared you.

We are also excited about the opportunity to partner with you as you seek to impact some part of the world for the cause of Christ. The days in which we live are wicked, and the need for light to shine into the darkness is compelling. That's why we take seriously the matter of supporting a Mission Work. Enclosed you will find the information necessary to be considered for support by the Calvary Baptist Church of Waterloo, IA.

Enclosure 1- Articles 2 and 11 of our Church Covenant, Constitution, and Statement of Faith

Read carefully the Articles to insure that you can say before God in good conscience and before our members in good faith that you are in agreement with them. Should you have any questions or concerns about the Articles as to their meaning or the implications of your agreement with them please feel free to contact me. I would be happy to answer any question so as to prevent any misguided assumptions on either of our parts.

Enclosure 2- Agreement between Church and Missionary Candidate

This form will serve to meet the requirements prescribed by our Constitution for Mission Works that we will support. You will need to give testimony of your salvation and scriptural baptism; as well as your agreement and adherence to the requirements of Mission Works that we support. This signed document becomes permanent record in our files.

Any other information that you can share with us concerning your interest to be considered as a Mission Work that we support would be greatly appreciated. I assume that you have a "Pastor's Packet" or Website that would allow us to learn more about you and help us to decide whether or to schedule you for a meeting in the near future.

All Missionaries that are invited to schedule a meeting are missionaries that we intend to add for regular monthly support. All missionaries who are scheduled for meeting and approved for support will be added for regular monthly support at the next business meeting following their scheduled meeting.

I look forward to receiving your information, and with visiting soon about how we can partner together to once again turn the world upside down for the glory of God.

In Service,

Pastor
